1st Veterans Kids Care Inc.
109 Ambersweet Way
Suite 226
Davenport, FL 33897

Mr. Philp,

I have always been a proponent of groups and organizations that provide services to the Orlando community as a whole and District 39 in particular. I especially support programs that help children, our most valuable asset. 1st Veterans Kids Care, Inc. and the services that they provide serve the whole child.

By providing services like scholarships, education, housing, counseling, food and financial assistance to the children of United States Veterans, they exemplify the characteristics of an organization that is committed to giving back to a group that is essential to the national security of our Nation. When meeting these obligations 1st Veterans' Kid Care Inc. is ensuring that the children of our veterans basic needs are met.

I am committed to assisting 1st Veterans Kids Care, Inc. in whatever capacity that I can to reach the children of the veterans in the Central Florida community.

Sincerely,

A handwritten signature in cursive script that reads "Geraldine J. Thompson".

Representative Geraldine Thompson
District 39-Orlando
