Y.E.S. (Youth Eyecare Services) Inc.

**Vision and Literacy Initiative**

3015 Brenton Manor Loop

Winter Haven FL 33881

To the Y.E.S. Team,

I would like to take a moment to send a huge thank you to the team at Y.E.S. (Youth Eye care Services) for providing the students at Renaissance Charter School at Chickasaw Trail the opportunity to get a free vision screening. I cannot tell you how much we appreciate your time and effort.

The service you have provided us, along with the services you bestow upon the larger community shows your commitment and dedication to student success both academically and socially. Your mission not only gives our children the tools to succeed in the classroom, but also the confidence outside of the classroom to feel like they can be a contributing member of society.

We would like to continue our partnership with the Y.E.S. vision program. It made a huge difference for our students and we feel that it is related to our huge success coming from an F school to a B School. We want to continue improving and offering our students with the best academic opportunities. You are a vital point identifying students with vision deficiencies and offering an opportunity to correct them. We need your help again this year.

The teachers, parents, and especially the students at Renaissance Charter School wholeheartedly appreciate your efforts. We look forward to building a lasting relationship in hopes to change the lives of our community's youth for years to come.

Very sincerely,

Nate Mariano  
Principal
