Mr. Antony Cardinal
1st Veterans' Kids Care
4700 Millenia Blvd., Ste 175
Orlando, FL 32839

Gentlemen:

The intent of this letter is to express our excitement and optimism concerning the items that we discussed in our meeting. The City of Haines City is indeed a supporter of our veterans and youth services, and reading the literature that you have provided me shows that you are committed to the betterment of our community. It has been told to me on numerous occasions that making an investment in someone else's life is the most gratifying and rich investment one can make, because you get an instant return on your investment. Your business acumen seems to be on point with what is needed for our community and other surrounding areas. If you are successful in securing a physical location in Haines City we certainly look forward to exploring future opportunities, working in concert to better the lives of our families, our children, and also our vets. A veteran is an individual that has given this country so much, and this community stands prepared and willing to help those who have sacrificed so much for the freedoms we all enjoy today.

Thank you for considering Haines City, and we wish you all the best as you attempt to find a location within our community. As you are well aware, no community stands as committed as we are to the betterment of the lives of our residents, visitors, and business owners of Haines City. As you continue to seek additional investment opportunities, and locations within our community, please do not hesitate to contact our partners at the Haines City Economic Development Council for prospective sites. Additionally, should you have any questions on land-use or development regulations, our offices are prepared and willing to provide you any guidance that you may need during this process.

In closing, thank you for the opportunity to discuss your business plan with me, and more importantly thank you for articulating your desires to locate within the great Haines City!

Respectfully submitted,

Jonathan E. Evans, MPA, MBA, ICMA-CM
City Manager
